Two lovely berries molded on one stem; So, with two seeming bodies, but one heart. - A Midsummer Night's Dream

I feel as if the summer is slipping away so fast. We are in the midst of all the final details for our July and August weddings. Check our [blog](#) for a glimpse of behind-the-scenes and the final designs!

FEATURE: Invitations and Event Details

We had the privilege of working with Sara from [connect the dots events](#). This Maryland Eastern Shore wedding was fun, clean and classic with the element of orange and yellow as the theme. The circular shape was woven throughout the details. One of our favorites was the table numbers that illuminated each tablescape.
